

# Internal Audit

Uncover Hidden Risks in Your Organization – Before Your Compliance Audit Does

## PHASE I ASSESS RISK LEVEL

Evaluate the nonprofit's risk level in key operational functions and uncover the greatest areas of vulnerability.

## PHASE II STRATEGIZE SOLUTIONS

Analyze high-risk areas to identify deficiencies and develop strategies to correct them before the auditors arrive.

## PHASE III TAKE ACTION

Execute recommendations to position the nonprofit for a successful compliance audit with no surprises.

## PHASE IV FACE YOUR AUDIT WITH CONFIDENCE

Don't be caught off guard – gain peace of mind and proceed confidently into your next audit.
