

When a business experiences financial distress, time is of the essence to get it on the right path to its short- and long-term future. Determining what that future looks like is a complicated decision that no business owner should face alone.

Grassi's Consulting professionals make your choices clearer by understanding the financial situation of your business, measuring your company's recovery potential and guiding you through all available options, including corporate restructuring, turnaround, reorganization and bankruptcy.

Our advisors can assist you with all aspects of restructuring your business, including determining if a bankruptcy filing should be considered. Once your best option is identified, our Certified Turnaround and Bankruptcy specialists will help you develop and execute a plan to achieve the best possible outcome in the most difficult of situations.

Services include:

- Corporate restructuring and turnaround plans
- Operational consulting
- Liquidity projections
- Cash flow management
- Evaluation of debt and lending options
- Creditor negotiations
- Expense mitigation
- Pre-bankruptcy planning
- Chapter 7 and 11 bankruptcy filing support
- Insolvency litigation support
- Forensic accounting
- Business valuation services
- Post-bankruptcy plans

If you are struggling to respond to financial distress, contact our Corporate Distress, Restructuring & Bankruptcy professionals to help you face your business future with confidence.
