

GRASSI CAMPUS CONNECTIONS

SUMMER 2025

SUMMER SPORTS

We believe in fostering a vibrant and engaging workplace culture that goes beyond our day-to-day tasks. To make the most of the sunny days and warm weather, Grassi continued our annual summer volleyball league for all employees. It's a great way to build team spirit, de-stress, and have some fun with friendly competition and a lot of laughs!

SUMMER INTERNSHIP

This past June, we welcomed 23 future leaders into our offices to kick off an eight-week summer internship in either Audit or Tax. Throughout the program, our interns learned alongside seasoned professionals, gaining valuable skills they'll use for the rest of their careers. They also had the chance to unwind and connect with their Grassi colleagues at fun events at Top Golf (LI), Golfzon Social (NJ), and Top Iron Golf (NYC). We appreciate our interns' hard work and are proud to have given them a head start on their promising careers in accounting.

GRASSI LEADERSHIP PROGRAM

In May, we held our 2025 Grassi Leadership Program, a two-day event that gave students a "snapshot" of life at a mid-sized public accounting firm. Participants got to experience a typical day at Grassi through service line presentations, leadership panels, and audit and tax case studies. The program also included team-building activities with fellow students and Grassi professionals. All attendees were offered the chance to interview for future internship opportunities.

FIRM DAY 2025

This year's annual Firm Day at the Crescent Beach Club in Bayville, New York was a great success. With a focus on "ownership and action", we brought our employees from all offices and remote locations together for a day of fun and connection. The event was filled with camaraderie, food, and celebration as we honored our firm and the remarkable individuals who contribute to its success.

Grassi Gives Back

At Grassi, we believe in making a positive impact on the communities we serve. This summer marked the 4th year of our Grassi Gives Back initiative, where we encourage our employees to volunteer with local charitable organizations. We're incredibly proud of the hard work and dedication our team members showed, making this year's events a success! We look forward to continuing our mission of service throughout the year.

Organizations

- Breakthrough T1D
- Cradles to Crayons
- Groundwork Lawrence
- Habitat for Humanity
- Helping Hand Rescue Mission
- Long Beach Cleanup
- Long Island Cares
- Little Flower
- Mill City Grows
- Ronald McDonald House and more!

ADVICE FROM AN AUDITOR

Name: Timothy Lyon

Job Title: Audit Semi-Senior

Office: Jericho, New York

Education: Binghamton University/ MS in Accounting

Years of Experience: 2 Years Public Accounting Experience

ADVICE FOR THE LAST SEMESTER OF COLLEGE:

As much as it pains me to say, my biggest piece of advice for your last semester is to avoid coasting and to focus on finishing strong. It's probably tempting to mentally check out during the last semester, especially if you already have a job lined up, but please don't. I believe that the last year of my undergrad program, and most of graduate program, is where I learned most of the technical knowledge that has helped me so far at this point in my career. So, if you can push through and finish off strong, I'm confident you will set yourself up for success.

POST-GRADUATION ADVICE:

My one piece of post-graduation advice, and I cannot stress this enough, is to study for CPA exam as soon as possible! I know the last thing you want to be doing as soon as you graduate is to study for more exams, but the further out from school you are the harder it becomes to study for these exams. Coming out of school you have still have a familiarity with the material and hopefully a sense of academic momentum, so now is the time to study. Life and busy season can get in the way fast, so please take advantage of any time you may have off before your potential new job starts.

Visit our Campus Recruiting page to learn more about Grassi's openings for students and new graduates and when we will be visiting your campus!
